++ Valid for broadcast between 0600 and 1800

Headline:
Cold and showery, becoming brighter later.

Today:
More showers, but conditions improving a touch with showery outbreaks expected to be lighter and less frequent, while brighter spells will appear more readily. Feeling cool in the north to northwest breezes. Maximum temperature 10 deg C (50 deg F).

Tonight:
Cloudy with showers becoming heavier and more frequent again, especially for Shetland, and feeling very cold in the strengthening northwesterly wind overnight. Minimum temperature 3 deg C (37 deg F).

Wednesday:
Cloudy with frequent showers continuing on Wednesday, particularly for Shetland, a significant wind chill in the strong northwesterly winds, less showers by evening. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
A cold start to Thursday but bright spells, cloudier later as rain pushes in from the west. Friday rather cloudy with showery outbreaks. Saturday looking wet and windy.
